

## VAT Manager/Senior Manager

Andersen LLP is the UK member firm of the Andersen Global network. We primarily provide a wide range of UK and US tax services to private clients and businesses and have a successful and growing indirect tax practice. At Andersen LLP, we have a unique group of talented individuals who share a common vision to be the “Best of the Best”.

We are currently looking for a VAT Manager or Senior Manager to join a rapidly expanding VAT team on a part or full-time basis to manage an ever-expanding portfolio of clients in providing VAT advisory and compliance services across a range of industry sectors.

The successful candidate will have the opportunity to further progress their career at Andersen.

### Requirements:

- Qualified CTA, ACA or equivalent with a minimum of 1-2 years PQE.
- Strong project management skills.
- A strong indirect tax (in particular VAT) technical knowledge and an appreciation of the interaction with other taxes.
- An ability to connect complex tax technical issues with practical and commercial application.
- The ability to apply VAT technical knowledge to identify VAT risks.
- Effective communication skills (written and verbal) coupled with the ability to articulate complex tax issues in a simple manner to both tax and non-tax specialists.
- Happy to lead “client facing” interactions.
- Demonstrable skill at building and maintaining relationships with clients and colleagues within and outside the VAT team.
- Strong analytical and problem-solving skills.
- Attention to detail.
- Ability to work with integrity, initiative and commitment.
- Experience both in practice and industry helpful but not essential.

### The Role:

- The role is primarily VAT advisory, and you will assist clients in solving complex VAT technical issues across a wide variety of industry sectors.
- As our advisory and structuring work often leads to annuity work, you will also be responsible for managing VAT compliance and VAT audits for clients.
- Assistance with growing client relationships and developing new business for the team.
- The nature of the work and the client base will mean that you will continue to build your tax technical skills as you work with a variety of clients across all business sectors.
- The role will involve international work with other Andersen offices and overseas clients.
- Cross disciplinary working with the other Andersen LLP teams e.g., Financial Reporting & Accounting, Corporate Tax, Private Client, Crypto & Digital Assets and Andersen Global network firms.

### Details:

- London based but with hybrid/remote working
- Competitive salary
- Discretionary bonus
- Private health coverage
- 28 days annual leave

### Benefits:

- Discretionary staff bonus scheme
- Flexible working
- Cycle to work scheme
- Health insurance
- Life insurance.
